OFFICE 365 – SKYPE FOR BUSINESS

OFFICE 365 SKYPE FOR BUSINESS IS AVAILABLE TO STAFF ONLY where the risk assessment for use of O365 additional services option has been accepted and the option enabled for the user by the local site ICT administrators.

Please note: this does not apply to Admin workstations.

Skype for Business lets you collaborate with anyone, anywhere, on any device. Message, call (audio and/or video) and share with powerful collaboration tools.

USING SKYPE FOR BUSINESS ON A WINDOWS DEVICE

Note: The Skype for Business app is included with Microsoft Office 2016 and Office 365 Pro Plus.

1. Open the Skype for Business app, enter your LearnLink email address and click Sign In.

2. Enter your LearnLink account password and click Sign in.
3. To add a contact, enter the contact’s email address in the Find Someone search box, right click the user and select Add to Favourites/Contact List.

4. Contacts can be sorted by Groups/Status/Relationships/New.

5. Double click on a contact to open the chat window, where you can send instant messages or run a video/audio conference.
USING SKYPE FOR BUSINESS ON AN IOS DEVICE
