

## From our Principal, Mr David Harriss

A wonderful welcome to our first newsletter for 2020, and a bumper issue it is!

The start of the year has been a very busy one (as it is all year), with over 120 new Year 8s starting (who are on camp as we speak), and increases in most other year levels. I have been very impressed with the academic start to the year, with the vast majority of our students applying themselves to the learning tasks our teachers are setting, and striving to do their best. If this approach continues, I am confident we will continue to help student learning grow at rates higher than state and national averages. SACE achievement for 2019 continued to be at very high levels, with our highest ever levels of SACE Completion and Stage 2 passing grades, with all students who applied through SATAC, getting University offers. We also had record numbers of students completing VET Certificates to help with pathways into the Vocational fields.

Sports Day was once again a stellar event, with great participation by all and fierce but friendly competition. Please read the write up later in the newsletter.

The Minister officially announced our \$20 million dollar development last week, so we can publish some architect artist impressions of our development. Every part of the school will be upgraded or rebuilt (Science, Woodwork, Automotive, Tennis/Netball courts, Food and Textiles Technology and all general teaching classes) and we also have some new builds covering Creative Arts, Metalwork, Sports Science and Student Services. The school will also have major upgrades in landscaping and student shelter and amenities such as a new canteen. Whilst there will naturally be some disruption to buildings that we have available for teaching, the project will be done in stages, due to start mid-year and be completed by the end of 2021, ready for the new Year 7 and 8 cohorts in 2022.

## Principal Report Continued .....

Despite the disruption to the physical buildings, our most pressing desire is to ensure student learning is not disrupted, and that we can continue improvement in student achievement. Please see some images in this newsletter, and more images will be on our website shortly.

I'm also looking forward to our inaugural Canberra Trip later this term, which will not only be a most enjoyable experience for all students, but will have an impact on how they view the world and their role in it, and be a growth learning process as well. I wish all the best to those participating, both students and staff!

Our Site Improvement Plan will be on our website soon, and teachers have already spent two pupil-free days focussed on learning new (and refining current) strategies to improve student outcomes and have 2 more planned for later in the year. The intention of these days is to further enhance our student achievement in Reading/Writing and Mathematics across all learning areas, not just English and Maths lessons. We believe this whole school approach to be most effective in lifting every student's performance, no matter what their previous achievement.

I would like to welcome some new staff to our community (although they have hit the ground running so well that it seems they have been here for years!)

- Ms Lee Knight – Deputy Principal
- Ms Lauren De Bono – Student Wellbeing Leader
- Ms Caitlin Videon – Year 8 Leader
- Teaching staff - Mr Doug Medwell, Mr Glenn Clarke, Ms Mikaela Pearce, Ms Loula Dacolias and Ms Stella Salagaras.
- Ancillary staff - Mr Gregg Matthews, Mr Josh Johnson, Ms Vanessa Savino, Ms Sonia Ghimire, Ms Emma Worswick and Ms Terry Hortop.

I look forward to a fantastic year, and to continue the development of the Underdale High School community to levels that we can even be more proud of.

David Harriss

# SPORTS DAY

On Tuesday 25th February, Underdale High School's annual Sports Day carnival was held at SA Athletics Stadium. The weather was perfect for a day of track and field events, as students competed throughout the day to earn points for their house. Like always, the day started with students competing in team events to earn some early points for their houses, followed by track and field events commencing in the middle part of the day. The day concluded with plenty of noise with the tug of war battles and relay races as each house pushed themselves to earn important points before the conclusion of the carnival. While Courage were the big improvers this year, they were unable to catch Optimism, who won their 5th Sports Day carnival in the past 8 years! Well done to all students who participated on the day and thank you to all staff who assisted with officiating events and helped with the running of the carnival.

- Interschool State Athletics Carnival – Thursday 2nd April @ SA Athletics Stadium

# Welcome to our 2020 SVC Team

Friday the 20th February saw our 2020 Student Voice Team participate in their training day. This year we have 32 students across all year levels, who are enthusiastic and excited about the work ahead of them. The SVC team spent the day working through some get to know you and team building activities and also used their time to start planning and brainstorming ideas based on their area of interest this year. Our group has formed sub-groups in different areas including events/fundraising, school grounds, uniform, school canteen and year 12 facilities. Coming up on Friday the 20th March will be one of the SVC groups first events in Bullying No Way Day and Harmony Week celebrations.

Here is the list of students involved this year. In coming weeks our school captain and year level leaders will be announced.

8.1 – Cavan Mirawan

8.2 – Ariyan Somuncic

8.3 – Lara Wilson, Paige Hudson, Lauren Jenkins

8.4 – Zack Allen

9.1 - Renee Busolin

9.2 – Creina Huynh, Kane Glinz

9.3 – Yashveer Kachharra

# Year 11 Metal Work

Week 5 saw the start of our main assessment piece in year 11 metal work, charcoal BBQs. What better way to start the unit of work than to have a BBQ? Students gained an understanding on how to prepare, light and cook a BBQ over charcoals. The smell of a charcoal BBQ across the school was wonderful. Students have now been tasked with making their own BBQ and hopefully repaying the BBQ favour at the end of the semester by cooking on their own BBQ.

## Stage 1 & 2 Vet Auto Classes

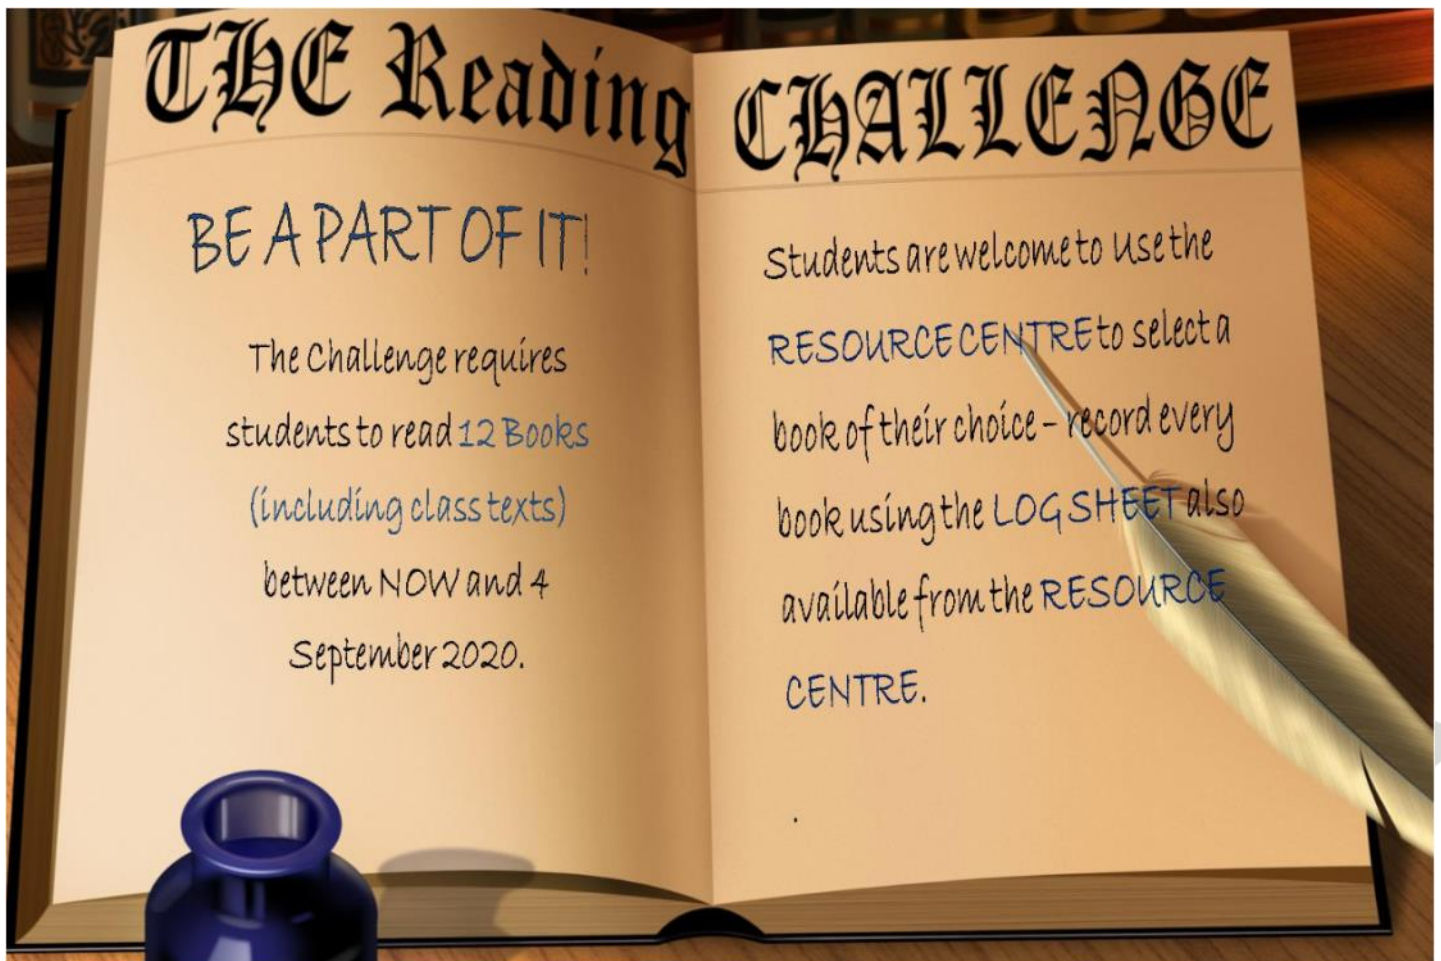

Mr Daddow and Mr Lane took the stage 1 & 2 VET Auto classes to get a first-hand motorsport experience at the Adelaide 500. Thanks to Mr Pappageorgiou for pulling a few strings that got us into the Redbull Holden Racing team garage. It was a great way for the students to see a path way that could start in the Underdale Auto program and maybe lead to the V8 Supercars.

## Port Noarlunga Aquatics

On the 21st of Feb the International students visited the Port Noarlunga Aquatic Centre. This is an Underdale tradition where we pair up with Woodville and experience the joys of Australian beach culture: body boarding, surfing and snorkelling with the fish on the reef. A perfect day for a new and educational experience!

## GIRLS & WOMEN

### ARE YOU LOOKING TO PLAY CLUB SOCCER IN 2020?

Cove Marion Women's Football Club (CMWFC) is part of The Cove FC and the 2020 season is our fourth year competing in the Women's league.

We are coming off another highly successful 2019 season, with our Under 17's winning their league, Under 15's finishing second and Under 13's in fourth. We pride ourselves on being an inclusive, encouraging and supportive football club. Our main focus is to offer a safe and family friendly environment, where players can learn and develop under suitably qualified coaches including specialised Goal Keeper training.

CMWFC are seeking players born between 2003 to 2012 to join our Under 11's, Under 13's, Under 15's and Under 17's girl's squads. We are now recruiting all junior players and encourage those who are interested to register at: [www.thecovefc.com/cove-marion-girls/](http://www.thecovefc.com/cove-marion-girls/)

For questions please contact Josh Myers at [girls.coordinator@thecovefc.com](mailto:girls.coordinator@thecovefc.com)

- Mini Roos (Born 2009 to 2012)
- Under 13 Girls (Born 2007 and 2008)
- Under 15 Girls (Born 2005 and 2006)
- Under 17 Girls (Born 2003 and 2004)

The 2020 Season will commence in Mid-March with pre-season training from 5:45pm to 7:30PM on Wednesday Night at Brighton High School and Friday Nights at our home ground at Club Marion, 262 Sturt Rd Marion.
