

From our Principal, Mr David Harriss

Welcome to the Spring edition of our Newsletter...

By the time you read this, our Year 12 students would have completed or is finishing off their last tasks for their SACE and/or starting preparations for exams. Year 12 has always been a challenging year, with many highlights and many moments of stress. This cohort has had the added complexity of COVID for both of their senior years of schooling, a complexity I am proud to say they have managed with much success. I have had direct contact with the SACE Board who have assured me that should COVID have an impact on Exams that student results will not be impacted at all. Should the school be closed due to COVID on the scheduled day of an exam, the exam will not be rescheduled and the student's final grade will be derived from the predicted exam result process that will already be in place. I am certain each student and their family is looking forward to the Graduation as much as we all are, and the Year 12 formal that follows. These celebrations are important transition points to their life after school, and will be some of the most treasured memories of their time at Underdale High School.

For the rest of us, preparations for 2022 are continuing. Students have spent a great deal of time working with their families and the school to design their learning program for next year. It is important that all students accelerate their learning next term to finish off on a high and prepare themselves fully for the challenges that they will face in a higher year level. Final preparations are being done to prepare our community for next year's new students at Grade 7 and 8. To say we are all excited about this is an understatement. Welcoming two new cohorts will add to the rich tapestry that makes up our family.

Our \$20 million re-development is finally complete, some new furniture and window dressings is all that is left to complete. It has been a long and challenging process (in combination with COVID), which I believe the whole school community has handled with great calmness and sensibility. There has been no indication that student learning has been impacted, which is a testament to the Resilience, Optimism, Courage and Knowledge that our students and teachers have shown. Well done! We are currently negotiating with the Department for Education for some extra funds to develop the front of the school as a learning space and to make it more welcoming. I will update you on that progress through our Website, Facebook and Instagram platforms.

You will be able to access your child's Term 3 progress report through DayMap, and I am confident that each child has shown progress in their learning. You will also soon receive your child's NAPLAN results. Please remember that this is just a snapshot in time of their learning, another indicator of their progress to this point in their learning, nothing more. Data that I have received at this point in time indicates that this cohort of students has achieved the standard required in greater numbers than ever before and is a wonderful reflection of the work these Year 9's and their teachers have done through our Site Improvement Plan for 2021. PAT testing has also just completed, and I am also confident that the results will show our Year 8 and 10 students have also improved their learning.

Please enjoy the two week break, and I look forward to speaking to you all again soon.

IMPORTANT NOTICES

COVID-19 Update

Year 11 and 12 students can get priority access for COVID-19 vaccination at SA Health COVID-19 vaccination clinics during September.

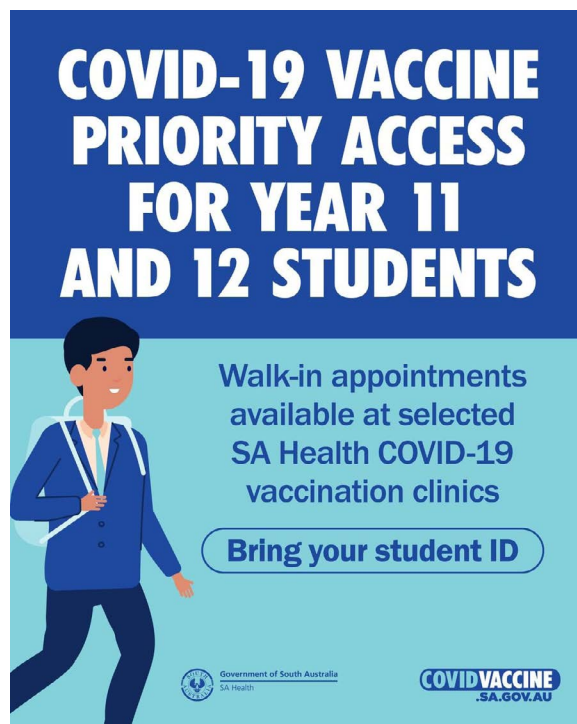

This allows them to be fully vaccinated before they finish school.

If you are in Year 11 or 12, you can walk in at the following SA Health COVID-19 vaccination clinics without an appointment by showing your student ID:

- Wayville (before 3.30pm)
- Elizabeth
- Enfield
- Noarlunga
- Port Augusta
- Whyalla
- Port Lincoln
- Victor Harbor (call before attending 0468 576 150)
- Mount Barker (call before attending 0468 576 150)
- Gawler (call before attending 0468 576 150)

You can also book an appointment at any GP or SA Health vaccination clinic.

For more vaccination clinic information visit:
www.sahealth.sa.gov.au/covidvaccine

Notice of School Fees for 2022

All parents are invited to attend the next Governing Council Meeting on 26th October at 6pm, to discuss the 2022 school fees as per the Materials and Services Notices below.

Underdale High School - 0965

HIGHLIGHTS - FROM WEEKS SIX TO TEN

Debate - English - Stage 1

Topic: Potential parents should pass a compulsory psychological examination to be allowed to have children.

6 July - Underdale High School, Stage 1 English students debated each other as part of their Pre-Literary Studies unit on Rhetoric. For this unit, students learnt: rhetorical and persuasive devices; how to construct and deliver effective arguments; and how to identify weaknesses in their opponents arguments and successfully refute them.

For an added challenge, this group volunteered to have their final debate filmed in front of a live audience of approximately 50 students and staff.

Thank you to Jacob Busuttill in year 10 for volunteering to film and edit the video. The video can be located on the [Underdale High School YouTube Channel](#).

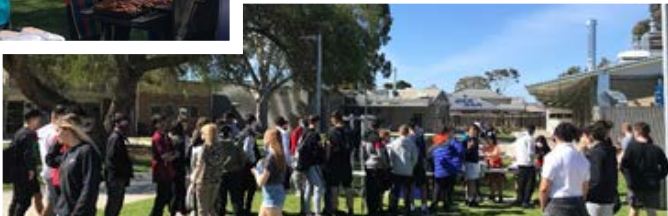

Peter Savvas
Year 10 Leader & International Students Program Manager

R U OK Day & Afghanistan Fundraiser

9 September - The Student Voice Council organised a BBQ and non-uniform day to celebrate R U OK day and fundraise for the families that have been recently displaced from Afghanistan. The day was a great success with students encouraged to talk about this years theme in 'start the conversation' and to come dressed in bright colours.

Mr Daddow and some of our Student Voice Members did a fantastic job at hosting our BBQ at lunch time on a beautiful afternoon. We are proud of the school community for getting involved in the day and raising a total of \$575!

2021 STEM Aboriginal Students Congress 'Living Two Worlds'

16-17 September - Our students participated in keynotes, workshops and visited the Australian Space Discovery Centre as a part of the STEM Aboriginal Student Congress gathering this year. It was a fantastic opportunity for these students to re-connect with their culture and in doing so they have been armed with the passion and pride to share their knowledge of their culture and pass it on to the wider school community.

'The Congress helped to give me motivation to pursue a successful career. Each keynote speaker talked about facing and overcoming challenges, with their learning at school, and succeeding in their dream of having a good career.'

Courage- 1st place
Resilience- 2nd place
Optimism- 3rd place

SPORT UPDATE

Open Boys Knockout Football Western Zone State Final

21 September - Our young men suffered a heart breaking penalty shoot-out defeat to western rival Henley High on Tuesday.

A nervous start was cured by captain Alex Tsimopoulos' outrageous left foot rocket to take us into the break 1-0.

Despite a Henley equaliser early in the 2nd half, Underdale dominated midfield play and created numerous chances but were unable to capitalise.

Extra-time could not separate the teams and sent the match to penalties.

While keeper Kosta Balaban pulled off a magnificent save, it was not enough to account for our two misses.

It hurts. The coaching staff and players gave their all throughout the year but fell ever so short.

It was however a tremendous achievement for our middle-sized public school to match it with the best in the state and

have the opportunity to play in our 5th Grand Final in 7 years- amazing!

Thank you to Mr. DK and the coaching staff for countless hours of preparation. Thank you to Underdale staff for supporting our boys in keeping up to date with their academic pursuits. Thank you to family and friends for helping manage their physical and mental wellbeing, and supporting the boys at the match. Thank you boys for your passion and dedication, taking us on this memorable journey.

Finally, thank you and farewell to our seniors for your outstanding effort and commitment from 2017-2021- Alex Tsimopoulos, Mohammad Mohtashami, Abou Keita, Chicco Nyirenda, Guru Bhatia, Safa Kadir and our superstar who would have given anything to be out there, Mohamed Toure.

SPORT UPDATE

8/9 State Futsal Finals

21 September - The trophy cabinet continues to fill as Mr. Del Nido's boys took home the State Futsal title, while Mr. Hilditch's girls scooped the Runner's Up prize!

Both teams made slow starts with narrow victories but grew in confidence and tactical nous as they progressed to the semi-final stage. The boys- with an all-Year 8 starting team- blew away Henley and progressed to the Final, while the girls won a nail-biting penalty shootout against Parafield Gardens with Keeper Bianca Tangorra and sharp-shooter Narges Frough the heroes.

The girls gave their all and were superbly led by Ana Simic throughout the day but Henley were too strong in the final. The boys made it 3 penalty shoot-outs in 2 days for Underdale and came out victors over Glenunga with the acrobatic Alex Rusmir and Abu Hussein sealing the trophy.

Senior Girls Basketball Carnival 3x3 Champions for 2021

21 September - Eve, Rykiah and Emily played every game without a break and competed all day with good spirit. They took on Henley, who they previously lost to earlier in the day, in the final and held them off by 1 point to seal the win. So good, well done girls!

Mr D-fence and the whole school are so proud of you!!!

Open Boys Knockout Football Western Zone Semi Final

14 September - For the 5th time in 7 years, our senior boys will contest the State Knockout Final following a clinical 4-0 Semi Final win over Christian Brother's College.

A brace from Musa, a scorcher by JP and a dipper from Alex secured a dominant display from keeper to striker.

The boys will meet Henley High in next Tuesday's Final.

*A special thank you to parents and ex-scholars Moivarlee, Sekou, Asad & Martinez for their support.

Tahnee Wright West Adelaide SANFLW 2022 Team

10 September - We wanted to share the exciting news about senior student Tahnee Wright. Tahnee has just been accepted into the West Adelaide SANFLW team for 2022. Tahnee will begin her training in October.

Amazing work Tahnee, what an outstanding achievement!

The Underdale community are proud and super excited for your future!

SPORT UPDATE

Open Boys Knockout Football Western Zone Quarter Final

24 August - Despite significant injuries and absences, Mr. DK's Seniors are through to the State Knockout Semi Final with disciplined performances against both Parafield Gardens and Marryatville High in the Quarters. It was fantastic to watch the extended squad take their opportunity to represent the school and push for a spot in the Semi Final squad.

Underdale HS v Parafield Gardens HS **3-0** (Chicco, Alex, Safe)
Underdale HS v Marryatville HS **2-1** (Abu H, Chicco)

Open Girls 9 A Side Football Carnival

17 August - A number of Year 9 to Year 12 girls battled it out in an Open Girls 9 A Side Football competition. The carnival was held at West Beach and the girls played a total of 6 games throughout the day against teams from the Southern and Western Zone. We had a combination of girls who have played AFL with local clubs and some that have never played before at all. The girls showed improvement in their skills as the day went on, finishing the day with 2 wins in a row! A highlight of the day was seeing Emily Moon and Freya Milne kick their first ever goals in footy! The girls represented our school well all day and should be proud of their efforts.

Year 8/9 Girls & Boys Western Zone Futsal Champions for 2021

18 August - It was a dominant performance from the Year 8/9 girls and boys as they both went undefeated and march into the State Futsal Finals in Week 10.

Mr. Del Nido and Mr. Hilditch were particularly impressed with the students' consistency in match play and humility in victory.
